Dear Avalon Academy Parents & Families

Tired of having to remember to pay your tuition on time..... We have a few options to choose from to help you out! :) We can draft from your checking account, debit card or credit card. **If you opt to have us debit from your checking account we are not charged a service fee...which means all of your tuition dollars goes straight to the school.** If you are currently set up for auto draft on your debit card or credit card and would like to change over to your checking account please just swing by the front office and we can do it in just a minute or two. :)

Check out our new  **facebook** page! Please "Like," "Comment" and "Share" our page. We will be using this page as another way to communicate with parents any school information! We will continue to also send out information thru our website. Please go to **www.avalonacademy.org** and sign up to receive emails.

It has been wonderful to get to know all of you over the last few weeks! Please remember that my office is always open and I am happy to chat anytime! Mrs. Julie

SCHOOL NEWS

We are starting a "Parent's Corner" on our newsletter (see below). This section is for any current Avalon family who owns a local kid / family friendly business. We will feature as many businesses as we can throughout the year to accommodate everyone. This section of the newsletter is strictly to promote relationship building between all Avalon families. We believe that supporting each other is how we make a better future for all our kids. This includes extending beyond our walls and reaching out into the community!

Please email Mrs. Julie at julie.fazio@live.com if you have a family business you would like highlighted at some point this year! It can be any kind of business or service that kids or families could use.

We will be sending out a 2018 parent survey in the next week or so, and would love as much feedback as we can get! This survey will be sent out via email and your responses can be anonymous if you wish. We are missing a few parent's current emails, so please make sure to stop by the front office to double check if we have the correct one for you.

Each month we will be sending out a MONTHLY ALL SCHOOL ACTIVITIES CALENDAR via hard copy, email and Facebook. This calendar will be used as a general reminder of what is going on for the month around the school. The Preschool & PreK classes will continue to send home their own and what is special for their class, but this All School Calendar will give everyone a snap shot of what will go on for our entire school. This calendar will include fun dress up days, crazy holidays, family events and much more!

MOODY ICE

Moody Ice is owned by Ellie Cho's family. Ellie started at Avalon as an infant and is now in the Caterpillars class.

Moody Ice is located in the Heights and serves fresh fruit ice and Hawaiian shaved ice. There are 8 rotating flavors, most are vegan (the non-vegan flavor has honey). The Hawaiian shaved ice has vanilla ice cream and condensed milk (not vegan). All recipes are made with natural ingredients made right in their kitchen! They even deliver around the Houston area.

It's a great place for a family treat, sweet ending to a date night or fill that craving for something cold!

Come check them out and help support one of our Avalon families!
