

Dear Avalon Academy Parents & Families

Happy New Year!

We hope all of you had a wonderful holiday season and are ready for all the excitement 2017 will bring! We wish all of our families the best as we roll out 2017!

Please remember that the monthly tuition rates will change February 1, 2017. If you are set up on automatic payments with the front office your amount will be adjusted already. If you have a check sent from your bank please make sure the amount has been changed before the check is sent out.

We would like to recognize Mrs. Gloria Johnson and her service to the Avalon families for more than 15 years. Mrs. Gloria retired from Avalon as of Dec. 30th, 2016. She plans to spend time with her grandchildren and husband. We wish her all the best and will miss her smiling face.

Mosquito Nix automatic system was installed on both playgrounds to help control the mosquito population. The organic compound is sprayed 3 times a day when the children are not on the playground and is safe for children and pets after 45 seconds dispersed into the air.

Please continue to send bug spray with your child as this system was installed to "help" but can not 100% take care of them.

For more information regarding the product please see www.mosquitonix.com.

LATE PICK UP FEE

Please remember that Avalon does close at 6:00 pm. If you are running late please call the front office. A late pick up fee will be applied to your account and must be paid at the time of pick up.
